Institute of Child Education & Psychology

"It has always been my firm belief that courses such as this for parents are of high priority – parents are often the principal catalyst for change, their commitment is enduring and lifelong"

Dr. Gavin Reid

"This is a tremendous resource, I am so relieved to have access to expert support from Gavin, and information I can trust. This is truly a lifeline for parents of children with dyslexia."

*Linda Clarke
Parent of Jack, Age 9*
